Welcome

Our three new interns, Drs. Muhammad Abd-El-Barr, Kristopher Hooten and Nathan Kohler began their orientation on Thursday, June 25. A luncheon was held so they could meet the support and nursing staff. If you didn't make it to the luncheon, don't worry, they will be here for the next seven years, so you have got plenty of time.

Happy Birthday America

In case you missed the announcement in March, UF's Fanfare & Fireworks will not be held this year due to budget cuts. But don't fear, there are still several ways you can celebrate our county's 233rd Birthday. Events are being held in Micanopy, Cedar Key, the City of Alachua and throughout the state. And if you don't feel like going out in the heat to celebrate, you can always watch "A Capitol Fourth 2009 - Independence Day Concert" brought to you by your local PBS station.
